Who do you think you are?	911 it's me to the rescue
a super S-T-A-R?	If I don't speak who's gonna tell you
Who do you think you are?	Oh yeah I gotta let you know
you can kiss my oh my God	I'm here to crash your party
All eyes on you tonight	You think you're the star of the show
So let's toast to you,	But I'm about to let you know
you got so much to prove	I'm here to crash your party
And you say, everyone's got a price	The bigger you are the harder you fall,
That's how you get your way	oh you had it all
if not there's hell to pay	Before I (7) your party
You're gonna huff and puff	Who do you think you are?
and blow the whole house down	a super S-T-A-R?
Don't they know you're the king of the castle	Who do you think you are?
The nerve of some people	you can kiss my oh my God
To think we're all equal	kiss my oh my God (bis)
911 it's me to the rescue	Sittin' on the top of the world you got the best view
If I don't speak who's gonna (1) you	Livin' life with a cheat sheet,
Oh yeah I gotta let you know	nobody test you, huh?
I'm (2) to crash your party	Your mind is a mess, heart is the chess piece
You think you're the star of the show	Movin' down the board
But I'm about to let you know	now I'm takin' down the king of the castle
I'm here to crash your party	While I'm on top of this beat I dazzle
The (3) you are the harder you fall,	How could you ever conceive
oh you had it all	'nuff of that beef
Before I (4) your party	Now I'm gonna tweak out
Who do you think you are?	Now you better peace out
a super S-T-A-R?	Cause I gotta full house, yeah baby
Who do you think you are?	Four of a kind,
you can kiss my oh my God	there's no room in my life for an ego your size
You're so misunderstood	I'm here to crash your party
Cause you're so complex, you and your complex	You think you're the star of the show
and you claim you're so low key	But I'm about to let you know
Well you could have fooled me, Mister TMZ	I'm here to crash your party
Come on (5) em how you huff and puff	The bigger you are the harder you fall,
and blow the whole house down	oh you had it all
Don't (6) know you're the king of the castle	Before I crashed (8) party
The nerve of some people
