

Fill in the gaps

This is more than a typical kinda thing	Don't you leave me (14)
Felt the joints in my bones	tonight
where you were touching me	Come on, that's right
Didn't want to take it slow	Honest baby I'll do anything you (15) to
In that days, (1) crazed	So can we finish what we started
I can (2) think	Don't you leave me brokenhearted tonight
You're (3) in my brain	Come on, that's right
(4) it (5) to sleep waiting for my phone	Uh cheerio!
o blow	Anything you (16) do, I'll be on it too
Now I'm here in a sticky situation	Everything you say, it's (17) a gold (18)
Got a little trouble,	a view
yep and now I'm pacing	Business on the front, party in the back
(6) minutes, ten minutes, now it's been an hour	Maybe I was wrong, was the alf really wack
Don't wanna think too hard, but I'm sour	This kinda (19) doesn't happen usually
I can't seem to let you go	I'm on the (20) (21) of it,
See I've been waiting all day for you to call me baby	truthfully
So let's get up, let's get on it	I know you want it so come and get it
Don't you leave me brokenhearted tonight	Uh cheerio!
Come on, that's right	See I've been (22) all day for you to call
(7) (8) I'll do anything you want to	me baby
So can we (9) (10) we started?	So let's get up, let's get on it
Don't you leave me brokenhearted tonight?	Don't you leave me brokenhearted tonight
Come on, that's right	Come on, that's right
Uh cheerio!	Honest baby I'll do anything you want to
What's the time, such a crime	So can we finish (23) we started
Not a single word, slipping on a patron	Don't you leave me (24)
(11) to calm my nerves,	tonight
Popping (12) by the phone	Come on, that's right
Act me up, pat me down, turn me inside out	Uh cheerio!
That's enough, hold me up, maybe I'm in doubt	When you gonna call
Now don't even (13) you know, no, no	Don't leave me brokenhearted I've (25)
See I've been waiting all day for you to call me baby	(26) up
So let's get up, let's get on it	Let's finish what we started
	I can't seem to let you go, come on, that's right
	Uh cheerio!
