

For years and years I roamed

Fill in the gaps

The Man Who Sold The World by Nirvana

We passed upon the stair	I (4) a gazeless stare
Ne spoke of was and when	We walked a million hills
Although I wasn't there	I (5) (6) died alone
He said I was his friend	A long, long time ago
Which (1) as a surprise	Who knows?
spoke into his eyes	Not me
thought you died alone	I (7) lost control
A (2) long time ago	You're face to face
Oh no, not me	With the Man who Sold the World
We never lost control	Who knows?
You're face to face	Not me
With The Man Who Sold The World	We never lost control
laughed and shook his hand	You're (8) to face
And (3) my way back home	With the Man who Sold the World
searched for form and land
