| Vhich came as a surprise        | Who knows?                      |
| spoke into his eyes             | Not me                          |
| thought you died alone          | I (6) lost control              |
| (3) long time ago               | You're (7) to face              |
| Oh no, not me                   | With the Man who Sold the World |
| Ve never lost control           | Who knows?                      |

| Vith The Man Who Sold The World | We (8) lost control             |
| laughed and shook his hand      | You're face to face             |
| and made my way back home       | With the Man who Sold the World |
| searched for form and land      |                                 |
