One... (1)_____ control of me
You're messing with the enemy
Said it's two... it's another trick
Messing with my mind, I wake up
Chase down an empty street
(2)_____ snap the broken beats
Said it's cut (3)_____ a dirty trick
It's taken all these days to find you
I... I'll tell you I want you
I... I'll tell you I need you
Friends, take control of me
Stalking cross' the gallery
All these pills got to operate
The colour quits and all invade us
There he goes again
Take me to the edge again
