

Fill in the gaps

This is the last time, you say	You won't remember in the morning
After the last line you break	You fall asleep during foreplay
(1) not even a holiday	'Cause the pills you (16) are (17) your
Nothing to celebrate	forte
You give a hundred (2) why	I'm not sticking around to watch you go down
And say you're really gonna try	Wanna be your lover
If I had a (3) for (4) time	Not your fu*king mother
I'd own the bank	Can't be your savior
(5) I was the exception	I don't have the power
I could re-write your addiction	I'm not gonna stay
You could have been the greatest	And watch you circle the drain
But (6) rather get wasted	Watch you circle the drain
You fall asleep during foreplay	Watch you circle the drain
'Cause the pills you take are more your forte	You fall asleep during foreplay
I'm not sticking around to (7) you go down	'Cause the pills you take are more your forte
Wanna be (8) lover	I'm not sticking (18) to watch you go down
Not your (9) mother	-l'm not sticking around-
Can't be your savior	(19) be your lover
I don't have the power	Not your (20) mother
I'm not gonna stay	(21) be your savior
And (10) you circle the drain	I don't have the power
Watch you (11) the drain	(22) not gonna stay
Watch you (12) the drain	And watch you circle the drain
You say you have to write your rhymes	Watch you circle the drain
Whatever half asleep at night	Watch you circle the drain
You've become what you despise	Watch you circle the drain
A stereotype	Watch you circle the drain
You think you're so rock and roll	You're (23) (24)
But you're really (13) a joke	(bis)
Had the world in the (14) of your hand	You fall asleep during foreplay
But you (15) choked	'Cause the (25) you (26) are more
Should have been my teammate	your forte
Could have changed your fate	I'm not sticking around to watch you go down
You say that you love me
