

## Fill in the gaps

I dreamed I was (1)	in the river Thames	I try to hold on to what we are	
I (2) I had (3)	at all	The more I squeeze the quicker we all are	
Nothing but my own skin		You (14) the pieces of the dreams that you have	
I dreamed I was drifting on the howling wind		Because you don't like the way they seem to be going	
I (4) I had nothing at all		You cut them up and spread them out on the floor	
Nothing but my own skin		You're full of hope as you begin rearranging	
Slipped away from your (5) hands into the river		Put it all back together	
Saw (6) face looking (7) at me		But anyway you look at things	
I saw my past and I saw my future		Looks like the lovers are losing	
You (8) the (9)	of the dreams that	I dreamed I had (15)	at all
you have		-Nothing but my own skin-	
Because you don't like the way they seem to be going		I dreamed I had (16)	at all
You cut them up and spread them out on the floor		You take the pieces of the dreams that you have	
You're (10) of hope as you begin rearranging		Because you don't like the way they seem to be going	
Put it all back together		You cut them up and spread them out on the floor	
But anyway you (11) at things		You're (17) of hope as you begin rearranging	
Looks (12) the lovers are losing		Put it all back together	
I dreamed I was watching		But (18) you (1	9) at things
The young lovers dance		Looks like the lovers are losing	
I reached out to touch your hand			
But I was watching from the distance			
We cling to love like a skidding car			
(13) to the corn	er
