

Fill in the gaps

I'm going back to the time when we owned (1)		and take time, just the stars at the Sovereign Light cafe
rown		I wheel my bike off the train
Down Powdermill Lane, in the battlegrounds		Up the (6) Trade Road
We were friends and lovers and clueless clowns		Look for you on Marley Lane
I didn't know I was finding out		In (7) building, every street sign
How I'd be torn from you		Oh why did we ever go so far from home?
When we talked about things		You've got nothing to hide
We were born to do		you can't change who you really are
We were wide-eyed dreamers		You can get a big (8) and a faster car
And wiser too		You can run away boy, but you won't go far
We'd go down to the rides on East Parade,		Let's go down to the rides on East Parade
By the (2)	of the Palace Arcade and	By the lights of the Palace Arcade
Watch night coming down on the Sovereign Light café		And watch night coming down on the Sovereign Light café
I'm begging you for some sign		Stroll down to the bandstand on the pier
But you've still got nothing to say		Watch the drunks and the lovers appear
Don't turn your back on me, don't walk away		An take time, just the stars at the Sovereign (9)
I'm a better man now than I was that day		café
Let's go down to the ric	des on East Parade	I'm going where the people (10) my name
By the lights of the (3)	Arcade and	I'm going where the people know my name
Watch night coming (4) on the Sovereign Light		
café		
Let's go down to the (5) on the pier		
Watch the drunks and the lovers appear
