

Fill in the gaps

You'll Never Be Alone by Anastacia

The (1) is changing	you'll never be alone
and time is spinning fast	Through the fire, by your side
it's so amazing how you came (2) my life	I will be there for you so I'm, don't you worry
I (3) it (4) all hope is gone	(and you know, I'll be there)
I (5) you feel you can't be strong	you'll never be a alone
and once again the story ends with you and I	heya heyeaaaah
And anytime you (6) like you just can't go on	Hold on
just hold on to my love	we can make it through the fire
and you'll (7) be alone	and my love
Hold on	I'm forever by your side
we can make it through the fire	and you know
and my love	if you (22) ever call my name
I'm (8) by your side	I'll be right there
and you know	oh baby, (23) on
if you should ever (9) my name	Hold on
I'll be right there	(we can make it through the fire)
you'll (10) be alone	we can make it baby
Hopeless to describe	and my love
the way I (11) for you	said I'm forever by your side, yeah
no (12) how I try	(and you know)
words would (13) do	if you (24) ever (25) my name
I (14) into (15) eyes to find	said I'll be, I'll be right there
as long as love is alive	oh, oh, ooooh
there ain't nothing we can't (16) it through	Hold on
Anytime, or (17) for a while	yeah yeah
don't worry	(we can make it through the fire)
make a wish	yeah yeah
I'll be (18) to see you smile	oh no
oooh	(my love)
Hold on	I know, and you (26) (I'm forever by your side)
we can make it throught the fire	yeah yeah yeah yeah yeah
and my love	(and you know)
I'm (19) by (20) side	(if you should ever (27) my name)
and you know	(I'll be right there)
if you should ever call my name	
I'll be (21) there
