You'll Never Be Alone by Anastacia

The (1) is changing	you'll never be alone
and (2) is spinning fast	Through the fire, by your side
it's so amazing how you (3) into my life	I will be there for you so I'm, don't you worry
I know it seems all hope is gone	(and you know, I'll be there)
I know you (4) you can't be strong	you'll never be a alone
and once again the story (5) with you and I	heya heyeaaaah
And anytime you feel like you just can't go on	Hold on
just (6) on to my love	we can make it through the fire
and you'll never be alone	and my love
Hold on	I'm forever by your side
we can make it through the fire	and you know
and my love	if you should ever call my name
I'm forever by your side	I'll be right there
and you know	oh baby, hold on
if you should ever call my name	Hold on
I'll be (7) there	(we can make it (10) the fire)
you'll never be alone	we can make it baby
Hopeless to describe	and my love
the way I feel for you	said I'm forever by your side, yeah
no matter how I try	(and you know)
words would never do	if you should ever call my name
I looked into your eyes to find	said I'll be, I'll be right there
as (8) as love is alive	oh, oh, ooooh
there ain't (9) we can't make it through	Hold on
Anytime, or only for a while	yeah yeah
don't worry	(we can make it through the fire)
make a wish	yeah yeah
I'll be there to see you smile	oh no
oooh	(my love)
Hold on	I know, and you know (I'm forever by your side)
we can make it throught the fire	yeah yeah yeah yeah yeah
and my love	(and you know)
I'm forever by your side	(if you should ever call my name)
and you know	(I'll be right there)
if you should ever call my name
