

Fill in the gaps

You know the bed feels warmer	Doesn't mean I'm lonely when I'm alone
Sleeping here alone	What doesn't kill you makes a fire
You know I dream in colour	Put that thing on lighter
And do the things I want	Doesn't mean I'm over cause you're gone
You think you got the best of me	What doesn't (6) you makes you stronger,
Think you had the last laugh	stronger
Bet you think that everything good is gone	Just me, myself and I
(1) you left me broken down	What doesn't kill you makes you stronger
Think that I'd come running back	Stand a little taller
Baby you don't know me, cause you're devil	Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes you stronger	Thanks to you I got a new thing started
Stand a little taller	Thanks to you I'm not a broken hearted
Doesn't mean I'm lonely when I'm alone	Thanks to you I'm finally thinking (7) me
What doesn't kill you makes a fire	You know in the end the day to left
Put that thing on lighter	was just my beginning
Doesn't (2) I'm over cause you're gone	In the end
What doesn't kill you makes you stronger, stronger	What doesn't (8) you makes you stronger
Just me, myself and I	Stand a little taller
What doesn't kill you makes you stronger	Doesn't mean I'm lonely when I'm alone
Stand a (3) taller	What doesn't kill you makes a fire
Doesn't mean I'm lonely when I'm alone	Put that thing on lighter
You (4) that I was starting over with someone	Doesn't mean I'm over cause you're gone
new	What doesn't (9) you makes you stronger,
But (5) you I was moving on over you	stronger
You didn't think that I'd come back	Just me, myself and I
I'd come back swinging	What doesn't kill you makes you stronger
You try to break me	(10) a little taller
'cause you see	Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes you stronger	
Stand a little taller
