## Walk away by Kelly Clarkson

## Fill in the gaps

You've got your mother and (1) brother	Not (18) question
Every other undercover	(19) you stay or should you go?
Tellin' you what to say -say-	Well, if you don't have the answer
You think I'm stupid	Why are you (20) standin' here?
But the truth is	Just walk away
(2) it's cupid, baby	(bis x2)
Lovin' you has made me this way	I (21) love
So before you point your finger	I (22) a fire
Get your hands off of my trigger	To feel the burn
You (3) to know (4) situation's getting	My desires
old	I want a man by my side
And now the more you talk	Not a boy who runs and hides
The less I can take, oh	Are you gonna (23) for me?
I'm (5) for attention	Die for me?
Not (6) question	Live and (24) for me?
(7) you stay or (8) you go?	Do you care for me?
Well, if you don't have the answer	'Cause if you don't (25) just leave
Why are you still standin' here?	I'm looking for attention
Just (9) away	Not another question
(bis x2)	(26) you stay or (27) you go?
I waited (10) for you	Well, if you don't have the answer
(11) a kid (12) after school	Why are you still standin' here?
So (13) me how come you (14)	(28) walk away
showed -showed-?	If you don't (29) the answer
I gave you everything	Walk away
And never asked for anything	Just walk -walk- away
And look at me	-Just walk away-
I'm all alone -alone-	Then (30) leave
So, before you (15) defendin'	Walk away
Baby, stop all your pretendin'
