You (1) the s**t out of me I'm	You took my (16) and wiped it clean
(2) sorry	Our love was (17) for (18) screens
You scared of me?	But If you loved me
All I want is (3) more	Why'd you leave me?
To hear you knocking at my door	Take my body
Because if I (4) see (5) face once	Take my body
more	All I (19) is
I could die a happy man I'm sure	And all I need is
(6) you (7) (8) last goodbye	To find somebody
I died a little bit inside	I'll find somebody
I lay in (9) in bed all night	If you (20) me,
Alone (10) you by my side	Why'd you leave me?
But If you loved me	(21) my body
Why'd you leave me?	Take my body
Take my body	All I want is
Take my body	And all I (22) is
All I (11) is	To find somebody
And all I (12) is	I'll find somebody like you, oh
To find somebody	
I'll (13) somebody like you oh	
(14) you brought out the best of me	
A part of me I'd. (15) seen
