

Fill in the gaps

Swept Away by Christopher Cross

I never had anything happen so fast	Without a warning
Took one look and I (1) like glass	Like night when the (15) begins the day
I guess I let it show	I was (16) away
Cause (2) told me you knew	Away, seeing my tomorrow's in (17) eyes
That you're everything I (4) (5) at	I was swept away
once	Oo, I hope I wake up soon
There's no holding this heart	Oo, I'm a victim of that crazy moon
When it knows what it wants	The very (18) (19) you said my name
And I never (6) anything more than to know	I (20) it (21) never sound the same
you	Something about me has changed forever
I was swept away	Can't you see I am swept away
No one in the world but you and I	No one in the world but you and I
Gotta find a way	Gotta find a way
To (7) you feel the way that I do	To make you (22) the way that I do
I was swept away	I am swept away
Without a warning	Without a warning
Like night (8) the morning begins the day	Like night when the morning begins the day
I was swept away	I was swept away
And so it begins	Away, seeing my tomorrow's in your eyes
This journey of love	Gotta find a way
The summer wind carries us to (9) all our own	To (23) you feel the way (24) I do
The words of a look	I was (25) away
The language of touch	Without a warning
The way (10) you (11) me means so	Like (26) when the morning begins the day
much	I was (27) away
And I (12) wanted anything more	We were (28) away
Than to love you	Dreaming of you
I am swept away	Swept away
No one in the world but you and I	
Gotta (13) a way	
To (14) you feel the way that I do	
I am swept away
