Fill in the gaps

Stairway To Heaven by Led Zeppelin

There's a lady who's sure all that glitters is gold	If there's a bustle in your hedgerow, don't be alarmed now
And she's buying a stairway to heaven	It's just a spring clean for the May queen
When she gets there she knows, if the stores are all closed	Yes, there are two paths you can go by, but in the long run
With a word she can get what she came for	There's still time to change the road you're on
Ooh ooh, and she's buying a stairway to heaven	And it makes me wonder
There's a sign on the wall, but she wants to be sure	Your head is humming and it won't go, in case you don't know
'Cause you know sometimes (1) have two	The piper's (6) you to join him
meanings	Dear lady, can you hear the wind blow, and did you know
In a tree by the brook, there's a (2) who	Your stairway lies on the whispering wind
sings	And as we wind on down the road
Sometimes all of our thoughts are misgiven	Our shadows taller than our soul
Ooh, it (3) me wonder	There walks a lady we all know
Ooh, it makes me wonder	Who shines white (7) and wants to show
There's a feeling I get when I look to the west	How everything still turns to gold
And my spirit is crying for leaving	And if you (8) very hard
In my thoughts I have seen rings of smoke through the trees	The (9) (10) come to you at last
And the voices of those who (4) looking	When all are one and one is all
Ooh, it makes me wonder	To be a rock and not to roll
Ooh, it really makes me wonder	And she's buying a stairway to heaven
And it's whispered that soon if we all call the tune	
Then the (5) will lead us to reason	
And a new day will dawn for those who stand long	
And the forests will echo with laughter
