Money is the anthem of success	(15) your body (16) town
So (1) we go out	Red, white, blue's in the sky
What's your address?	Summer's in the air

God, you're so handsome	-l'm your national anthem-
Take me to the Hamptons, (3) Veyron	It's a love story for the new age
He loves to romance them	For the six pages
Reckless abandon holding me for ransom	Want a quick sick rampage?
Jpper echelon	(18) and dining, (19)
He says to be cool but I don't know how yet	and driving
Wind in my hair, hand on the (4) of my neck	Excessive buying, overdose and dying
(5) "Can we party later on?"	On our drugs and our loves
He said: "Yes, yes, yes"	And our dreams and our rage
Tell me I'm your national anthem-	Blurring the lines between real and the fake
Can you baby bow down	(20) and lonely, I (21) somebody to
Making me so wow now	hold me
Tell me I'm your (6) anthem-	He will do very well, I can tell, I can tell
Sugar, sugar, how know	Keep me safe in his bell tower, hotel
Take your body downtown	Money is the anthem of success
Red, white, blue is in the sky	So put on mascara, and your party dress
Summer's in the air and	I'm your national anthem
Baby, heaven's in your eyes	Boy, put (22) hands up
I'm your national anthem-	(23) me a (24) ovation
Money is the (7) we exist	Boy, you have landed
Everybody knows it, it's a fact, kiss, kiss	Babe, in the land of sweetness and danger
sing the (8) anthem	Queen of Saigon
While I'm standing over your body	-Tell me I'm your (25) anthem-
Hold you like a python	Can you (26) bow down
And you can't keep (9) hands off me	Making me so wow now
Or your pants on	-Tell me I'm your national anthem-
See what you've (10) to me, give me a chaperon	Sugar, sugar, how know
He said to be cool but I'm already coolest	Take your body down town
said to get real,	Red, white, blue's in the sky
Don't you know who you're dealing with?	Summer's in the air
