Fill in the gaps

Wanted you more by Lady Antebellum

I kept waiting on a reason
In a call that never came
No I never saw it coming
Something in you must have changed
All the words unspoken, promises broken
I cried for so long, (1) too much time
Should have seen the signs
Now I know just what (2) wrong
I guess I (3) you more
And looking (4) now I'm sure
I (5) you more
I guess I wanted you more
All the nights we spend (6) talking
All the things we wanted out of life
Making plans and dreams together
I wish I'd seen, I was just too blind
My heart was open. (7) and hoping for you

To lay it on the line
In the end, it seemed (8) was no room for me
Still I tried to change (9) mind
I guess I wanted you more
And looking back now I'm sure
I wanted you more
I guess I wanted you more
Oh, I don't (10) you
I don't need you anymore
I guess I wanted you more
And looking back now I'm sure
I wanted you more
I guess I wanted you more
I don't need you,
I don't need you anymore
