My heart was open, exposed and hoping for you

Fill in the gaps

Wanted you more by Lady Antebellum

I (1) waiting on a reason	To lay it on the line
In a call that never came	In the end, it seemed there was no (4) for me
No I never saw it coming	Still I tried to (5) your mind
Something in you (2) have changed	I guess I wanted you more
All the words unspoken, promises broken	And (6) back now I'm sure
cried for so long, (3) too much time	I (7) you more
Should have seen the signs	I guess I wanted you more
Now I know just what went wrong	Oh, I don't need you
I guess I wanted you more	I don't (8) you anymore
And looking back now I'm sure	I guess I wanted you more
I wanted you more	And (9) back now I'm sure
I guess I wanted you more	I wanted you more
All the nights we spend just talking	I guess I wanted you more
All the things we wanted out of life	I don't need you,
Making plans and dreams together	I don't need you anymore
I wish I'd seen, I was just too blind
