

Fill in the gaps

You see me unraveling	
I know the difference this time	
You pull me in, you pull me out	
I'm deserving	
Don't matter what you do wrong	
I put your knees before mine	
It doesn't really matter what they say	
It doesn't (1) (2)	what they
say	
So take what you want from me	
Take what you want from me	
(3) what you want from me	
And I'll give you all my love	
I'll give you everything	
Just take what I don't need	
I know I've made some mistakes	
But I'll be different, you'll see	
I'll give in, (4) me how	
I keep falling	
I'm sleeping under a wave of gold	

So, can I sleep?	
It doesn't really matter what they say	
So take what you want from me	
Take what you want from me	
Take what you (5) (6) me	
And I'll give you all my love	
I'll give you everything	
Just take (7) I don't need	
So you want to talk (8) (9)	way you
(10) to go	
And I don't need to think about losing you	
To know how it feels, how it feels	
So take what you want from me	
Take what you want from me	
Take what you want from me	
And I'll give you all my love	
I'll give you everything	
Just take what I don't need
