# Fill in the gaps

## The first time by Lemar

All the lights agree travelling (1)_____ speed
Every road is (2)_____
Heading to nowhere
But I feel, I feel so alive for the first time
Put your hand to mine and let's blaze across the sky
You'll see (3)_____ are no way through another lips
Because it feels, this feels like us for the first time
For the first time, first time, let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time
No more rules to break
It's your life to waste
Everything we need
All (4)_____ silver screen
And it feels, feels like your mind for the first time

For the first time, first time let your light shine
Oh so (5)_____ that still
Higher higher let (6)_____ light shine
See it all the other stars
For the first time, first time let (7)_____ light shine
And no longer feel the night
Brighter, brighter let your light shine
Tonight, tonight we watch the world come to life, to life
Alive, alive watch the world (8)_____ to life
It will be alright
For the first time, first (9)_____ let your light shine
Oh so brighter (10)_____ still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And no longer feel the night
Brighter, brighter let your light shine
For the first time, for the first time
