

Fill in the gaps

She's so gone by Lemonade Mouth

(1) in a skin	You won't run her around
Like a puppet, a girl on a string	You can look but you won't see
Broke away, (2) to fly	The girl I used to be because she's
If you want her back gotta let her shine	She's so gone away
So it (3) like the joke's on you	Like kiss the rain
Because the girl that you thought you knew	She's so gone
She's so gone	Baby, this is me, yeah
That's so over now	She's so gone
She's so gone	That's so over now
You won't run her around	She's so gone
You can look but you won't see	You won't run her around
The girl I (4) to be because she's	You can look but you won't see
She's so gone	The girl I used to be because she's
Here I am	She's so gone
This is me	She's so gone
And I'm stronger than you ever (5) I'd be	You can (7) but you won't see
Are you shocked? Are you mad?	The (8) I (9) to be because she's
That you're missing out on who I really am	She's so gone
Now it looks like the joke's on you	So alone
Because the girl (6) you thought you knew	She's so gone, gone, gone, gone
She's so gone	
That's so over now	
She's so gone
