

Fill in the gaps

Because I'm (1) here We're (13) just let go off Can you listen? (14) Because I've been trying to make you notice Holding back our dreams and try (2) do you (3) to me To make it (15) alive To (4) (5) somebody Come on let it shine so they can see	
Because I've been trying to make you notice Holding back our dreams and try (2) do you (3) to me To make it (15) alive	
(2) do you (3) to me	
To (4) (5) somehody Come on let it shine so they can see	
Connecting the source can see	
We've been on our way to nowhere We (16) meant to be somebody	
(6) so hard to get there Somebody, somebody, yeah	
And I say, oh! Somehow, someday, someway, somebody	
We're gonna let it (7) walk out of this darkness	
We're gonna (8) let go off everything	the
Holding back our dreams and try yellow sun	
To make it (9) alive And (20) we'll fight, we'll fight together	
Come on let it shine so they can see (21) we get back up	
We were meant to be somebody, somebody And we will (22) as one	
Somehow, someday, someway, somebody We're (23) let it show	
I'm so tired of being invisible We're (24) just let go of everything	
But I feel it, yeah (25) back our (26) and t	ry
Like a fire (10) the surface trying to set me free To make it come alive	
(11) inside of me	
Because we're standing on the edge now We were meant to be somebody	
It's a long way down Somebody, somebody	
But I say, oh! Somehow, someday, someway, somebody
