Can you see me?
Because I'm right here
Can you listen?
Because I've been trying to make you notice
What do you mean to me
To feel like somebody
We've been on our way to nowhere
Trying so (1) to get there
And I say, oh!
We're gonna let it show
We're gonna just let go off everything
Holding back our (2) and try
To make it come alive
Come on let it shine so they can see
We were meant to be somebody, somebody
Somehow, someday, someway, somebody
I'm so (3) of being invisible
But I feel it, yeah
Like a fire (4) the surface trying to set me free
Burning inside of me
Because we're standing on the edge now
It's a long way (5)
But I say, oh!

We're gonna just let go off everything Holding back our (6) and try To make it come alive Come on let it shine so they can see We (7) meant to be somebody Somebody, somebody, yeah Somehow, someday, someway, somebody We will walk out of (8) darkness Feel the spark light glowing like the yellow sun And then we'll fight, we'll (9) together Till we get back up And we will rise as one We're gonna let it show We're gonna just let go of everything Holding back our dreams and try To make it come alive Come on let it shine so they can see We were meant to be somebody Somebody, somebody, somebody	We're gonna let it show
