

Fill in the gaps

I'm sitting down here, but hey, you can't see me	But you should be aware
Your (1) cut rather deeply	But I've learned to get revenge
They're just some other lies	And I swear you'll experience that someday
I'm hiding from a distance	I'm sitting down here, but hey, you can't see me
I've got to pay the price	Kind of invisible, you don't (14) my stay
Defending all against it	Not really hiding, not like a shadow
I really don't know why	Just thought I would join you for one day
You're obsessed with all my secrets	I'm sitting down here, but hey, you can't see me
You always (2) me cry	Kind of invisible, you don't sense my stay
You seem to (3) to hurt me	Not (15) hiding, not like a shadow
No matter what I do	Just thought I would join you for one day
I'm (4) just a couple	You seem to want to hurt me
But somehow it gets to you	No matter what I do
But I've (5) to get revenge	I'm telling (16) a couple
And I (6) you'll experience (7)	But somehow it gets to you
someday	But I've learned to get revenge
I'm sitting down here, but hey, you can't see me	And I swear you'll experience that someday
Kind of invisible, you don't sense my stay	I'm sitting down here, but hey, you can't see me
Not really hiding, not like a shadow	Kind of invisible, you don't (17) my stay
(8) thought I would join you for one day	Not (18) hiding, not like a shadow
I'm sitting down here but hey, you can't see me	Just thought I would join you for one day
I'm not trying to avoid you	I'm (19) down here, but hey, you can't see
Just don't wanna (9) voice	me
(11) you (12) me up so often	Kind of invisible, you don't sense my stay
I don't really have a choice	Not really hiding, not like a shadow
You're talking like you know me	Just thought I would join you for one day
And wanna be my friend	I'm sitting down here, but hey, you can't see me
But that's (13) too late now	Kind of invisible, you don't sense my stay
I won't try it once again	Not really hiding, not like a shadow
You may think that I'm a loser	Just (20) I (21) join you for
That I don't really care	one day
You may think that it's forgotten
