Fill in the gaps

You (1) me on
You lift me up
Like the sweetest cup
I share with you
You lift me up
Don't you ever stop
I'm here with you
Now it's all or nothing
'Cause you said
You'll follow through
You follow me
And I, I, I follow you
(What you gonna do when (2) go wrong
What you gonna do when it all cracks up
What you gonna do when the love burns down
What you gonna do when the love burns down What you gonna do when the flames go up
What you gonna do when the flames go up
What you gonna do when the flames go up Who is gonna come and turn the tide
What you gonna do when the flames go up Who is gonna come and turn the tide What's it gonna take)
What you gonna do when the flames go up Who is gonna come and turn the tide What's it gonna take) To make a dream survive
