

Fill in the gaps

I (1) to wither	And wipe the mark of madness from my face
I wanted to be tall	(14) me that your love (15) never
Like a fool left the river	change
And watched my branches fall	If my (16) is a disgrace
Old and thirsty I longed	Tell me that you still recall my name
For the flood to (3) (4) around	Oh, (17) in the shadow, here I am
To the (5) in the valley	And I need someone by my side
That's about to crumble down	It becomes so hard to stand
And wipe the mark of sadness from my face	And I (18) to dry my eyes
(6) me that your love will never change	Come and find me in the valley
If my yesterday is a disgrace	And wipe the mark of sadness (20) my face
Tell me that you (7) recall my name	Show me that (21) love will never change
So, the storm finally (8) me	If my yesterday is a disgrace
And (9) me in the dark	Tell me that you still recall my name
In the (10) around me	And (22) the mark of madness from my face
I don't know where you are	Show me that (23) (24) (25)
If (11) whole (12) goes up in arms	(26) change
All I can do is stand	If my yesterday is a disgrace
And I won't fight for anyone	Tell me that you (27) recall my name
Until you (13) my hand
