

Fill in the gaps

My mouth is frozen so I can't even speak	It's a little late but you (6)
What a disappointment, I had it perfectly	I just want you to be happy
What I was going to bring up suddenly	What I got to say to (7) you
Stood like a stone as you (1) quietly	let me get away with it this time
You're making it hard for me	I know you're upset and (8) you're happy
All I can do is freeze	just to sit and hate me
What I mean is, all I need is,	But I'll make a bet that you'll be better to (9)
Just a little emotion	about me
(2) all I see is you not feeling	Even better yet
And you're giving me nothing nice	I'll let a little light melt the ice, ice baby
I (3) to do you right	My mouth is frozen so I can't even speak
why'd you have to go and turn to ice	I'm not the type to say sorry constantly
I don't think you're knowing how (4) this is for me	What I mean is, all I need is
I'm not the type to say sorry constantly	Just a little emotion
So I swallowed my pride and I got on my knees	Because all I see is you not feeling
But still you just stood there as you stare at me	And you're giving me nothing
Your ego is getting old	What I mean is all I need is
How did you get so cold	Just a little emotion
What I mean is, all I need is,	Because all I see is you not feeling
Just a little emotion	And you're giving me nothing nice
Because all I see is you not feeling	I tried to do you right
And you're giving me nothing nice	why'd you have to go
I tried to do you right	I tried to do you right
why'd you have to go and (5) to ice	why'd you have to go and turn to ice
I'm looking at you looking at me	
what can I do but say sorry
