

Fill in the gaps

Wait till you're announced
We've not yet lost all our graces
The hounds will (1) in chains
Look upon your greatness
And she'll send the call out
Send the call out, send the call out
Call all the ladies out
They're in their finery
A hundred jewels on throats
A hundred jewels (2) teeth
Now bring my boys in
Their skin in craters like the moon
The moon we love like a brother
While he glows through the room
Dancing around the lies we tell
Dancing around big eyes as well
Even the comatose, they don't dance and tell
We live in cities you'll never see on-screen
Not (3) pretty
But we sure know how to run things
Living in (4) of a palace within my dreams
And you know we're on each other's team
I'm kind of over
Getting told to throw my (5) up in the air
So there
So all the cups got broke
Shards beneath our feet

But it wasn't my fault
And everyone's competing
For a love they won't receive
Because (6) this palace wants is release
We live in cities you'll never see on-screen
Not very pretty
But we sure know how to run things
Living in ruins of a palace within my dreams
And you (7) we're on each other's team
I'm kind of over
Getting told to throw my (8) up in the air
So there
I'm kind of older than I was
When I reveled without a care
So there
We (9) in cities you'll never see on screen
Not very pretty
But we sure know how to run things
Living in ruins of a palace (10) my dreams
And you know we're on each other's team
We're on each other's team
And you know we're on each other's team
We're on each other's team
And you know, and you know, and you know

- 1. stay
- 2. between
- 3. very
- 4. ruins
- 5. hands
- 6. what
- 7. know
- 8. hands
- 9. live
- 10. within
