

Fill in the gaps

Come Talk To Me by Peter Gabriel

Ah please talk to me
Won't you please (1)_____ talk to me
Just like it used to be
Come on, (2)_____ (3)_____ to me
Come on, come talk to me
The (4)_____ desert takes its form,
the jackal (5)_____ and tight
In search of you, I feel my way,
though the slowest heaving night
Whatever (6)_____ invents, I
I swear it make no sense
I reach (7)_____ the border fence
Come down, come talk to me
In the swirling, curling storm
of desire (8)_____ words hold fast
With reptile tongue,
the lightning lashes (9)_____ built to last
Darkness creeps in (10)_____ a thief
and offers no relief
Why are you (11)_____ like a leaf
Come on, (12)_____ talk to me
Ah please talk to me
Won't you please come (13)_____ to me
We can unlock this misery
Come on, come talk to me
[Chorus 1:]
I did not come to steal
This all is so unreal
Can't you show me how you (14)_____ now
Come on, come talk to me
Come (15)_____ to me
Come talk to me
The earthly power sucks
shadowed milk (16)_____ sleepy tears undone
From nipped (17)_____ as smooth as silk

the bugles blown as one
You lie there with your eyes half closed
like there's no-one there at all
There's a tension pulling on your face
Come on, (18)_____ talk to me
Ah please talk to me
Won't you please (19)_____ talk to me
Just like it used to be
Come on, come (20)_____ to me
Come on, come talk to me
Don't you (21)_____ (22)_____ your mind
Now your future's so defined
And you act so deaf and blind
(And you act so deaf so blind)
Come on, come talk to me
Come (23)_____ to me
Come talk to me
Come talk to me
I can imagine the moment
Breaking out through the silence
All the things that we both might say
And the heart it will not be denied
'Til we're (24)_____ on the same (25)_____ side
All the barriers blown away
I said please talk to me
Won't you please come talk to me
Just like it used to be
Come on, come (26)_____ to me
I did not come to steal
This all is so unreal
Can you show me how you feel now
Come on, come (27)_____ to me
Come talk to me
Come talk to me

Fill in the gaps

Answer
