

## Fighting with myself by LP

The battle has just begun You tell me I'm not the only one Because he's been loving you And you're all carried away But baby I can't pretend I'm telling you this s\*it has to end What are you (1)\_\_\_\_\_ to Don't you make me play this game You're killing me Whoa, It's hitting me Everytime you go is bringing me low Stop bringing me low You know you're not making sense No baby don't keep me on the fence (2)\_\_\_\_\_ I'm in love with you Just in case you didn't know Lost in a state of imagination Fighting with myself Me and no one else And I can't win the war I can't win the war Fighting with myself Burning in my hell And I've been here before \_\_\_\_\_ been here before Why can you look into my eyes and be so cold? Why (I) don't wanna be alive if I can't hold? Why you don't like this anymore? Hope I live to tell Fighting (4)\_ \_\_\_ myself Fighting with myself A knife goes through a heart A look, a kiss, a spark Everyone knows the tune But they hope it never plays Say you wanna be
