

Fill in the gaps

The battle has just begun	Begging you (17) please
You tell me I'm not the only one	Don't leave me alone
Because he's been (1) you	Don't leave me alone
And (2) all (3) away	Lost in a state of imagination
But baby I can't pretend	Fighting with myself
I'm telling you this s*it has to end	Me and no one else
What are you running to	And I can't win the war
Don't you (4) me play this game	I can't win the war
You're killing me	Fighting with myself
Whoa, It's (5) me	(18) in my hell
Everytime you go is (6) me low	And I've been here before
Stop bringing me low	I've been here before
You know you're not making sense	Why can you (19) into my eyes and be so cold?
No (7) don't (8) me on the fence	Why don't (20) be alive if I can't hold?
Because I'm in (9) with you	Why you don't (21) this anymore
Just in (10) you didn't know	(22) I (23) to tell
Lost in a state of imagination	(24) with myself
Fighting with myself	Fighting with myself
Me and no one else	I'm fighting with myself
And I can't win the war	Fighting with myself
I can't win the war	I've been through this before
(11) myself	And I know know
Burning in my hell	That I can't win the war
And I've (13) here before	I've been through this before
I've been (14) before	And I know know
Why can you look into my eyes and be so cold?	That I can't win the war
Why (I) don't wanna be alive if I can't hold?	Why can you look into my (25) and be so cold?
Why you don't like this anymore?	Why don't wanna be alive if I can't hold?
Hope I live to tell	Why you don't like this anymore
Fighting with myself	(26) I live to tell
(15) with myself	(27) (28) myself
A knife goes through a heart	(29) with myself
A look, a kiss, a spark	I'm (30) with myself
Everyone knows the tune	Fighting with myself
But they hope it never plays	
Say you (16) be
