I didn't want to love	Wasted all my (14) and love on you
I was happy on my own	When (15) (16) rough
(1) I never had a taste of (2) sweet	You used me up
song	(17) love on you
I was rolling (3) a stone	All along I knew something was not right
Taking any road	But I was hoping I could change (18) mind
There was something in the way	All along no matter how I (19) and tried
You (4) me cold	You kept taking, taking
All the pretty words you said	Taking every breath I had inside
(5) through my fingers just like sand	(20) love
Ever since that sorry day you took my hand	Wasted love
Wasted love	(21) all my time and all my love on you
Wasted love	When times were rough
Wasted all my time and all my love on you	You used me up
When (6) were rough	Wasted love
You used me up	Wasted love
Wasted (7) on you	Wasted love
Did you ever really see?	(22) all my (23) and all m
Was it (8) really me?	(24) on you
Why did you keep me in a cage?	When times were rough
You should've set me free	You used me up
(9) every (10)	Wasted (25) on you
(11) you lied	I wasted all my (26) on you
Felt like a splinter in my pride	(27) all my love on you
And if you had a heart now I know it wasn't mine	
(12) love	
(13) love
