

Fill in the gaps

Some say when hearts race		(5) someday they'll try to break you break
There's no saving grace		you
Tho' cruel fate		But (6) I won't let them take you take you away
I'll (1) (2) becau	se nothing can sway	Take you away
Someday maybe they'll change you change you		Someday maybe they'll change you change you
But don't let, don't let them lead you lead you astray		But don't let don't let them (7) you lead you astray
Stay young, stay young		Stay young, stay young
Because (3) they'll	try to break you break	Because someday they'll try to break you (8)
you		you
But baby I won't let them take you take you away		But baby I won't let (9) take you (10)
Take you away		you away
We might (4) and time chase		Take you away
But there lies a place		And someday they'll try to change you change you
Where all hopes and all saints		But baby I won't let them change you lead you astray
Collide face to face		Stay young
Someday maybe they'll change you change you		Because someday they'll try to break you break you
But don't let don't let them lead you lead you astray		But baby I won't let them take you take you away
Stay young, make love		Take you away
