

I'm at a payphone trying to call home

All of my change I spent on you Where have the times gone

Baby it's all wrong

Where are the plans we made for two?

Yeah, I, I know it's hard to remember

The people we used to be

It's even (1)_____ to picture

That you're not here next to me

You say it's too late to make it

But is it too late to try?

And in our time that you wasted

All of our bridges burned down

I've wasted my nights

You turned out the lights

Now I'm paralyzed

Still stuck in that time when we called it love

But even the sun sets in paradise

I'm at a payphone trying to call home

All of my change I spent on you

Where have the times gone

Baby it's all wrong

Where are the plans we made for two?

If happy ever after did exist

I would still be holding you like this

All those fairy tales are full of s*it

One more f**king love song I'll be sick

You turned your back on tomorrow

Because you forgot yesterday

I gave you my love to borrow

But you just gave it away

You can't expect me to be fine

I don't expect you to care

I know I've said it before

But all of our bridges burned down

I've wasted my nights

You turned out the lights

Now I'm paralyzed

Still stuck in that time when we called it love

But even the sun sets in paradise

I'm at a payphone trying to call home

All of my change I spent on you

Where have the times gone
