## Fill in the gaps

(1) here (2)	kind of	It's 4 AM and my lover won't answer	
crazy		He's probably somewhere with a dancer	
But not just any crazy		Sipping (5) wh	ile I'm in his bed
It's the kind you feel		It's 4 AM and I think I might lose it	
When you love somebody		This mot*erfu*ker thinking I'm stupid	
And I know that my baby		He (6) have bumped his he	ead
Is calling somebody else baby		I only know it's 4 AM	
And I can't sit still		I don't deserve this life	
Look how gone it got me		(7) make the perfect wife	Э
Who knew that my heart could ever bruise		And I know love's a sacrifice	
You see this scar here on my chest		Who's gonna sacrifice for me	
I'm hurting and he don't even care		And give me all the time that	
It's 4 AM and my lover won't answer		Who knew that my heart could (8) bruise	
He's probably somewhere with a dancer		You see this scar here on my chest	
Sipping champagne (3) I'm in his bed		I'm hurting and he don't even care	
It's 4 AM and I think I might lose it		(9) 4 AM and my lover won't answer	
This mot*erfu*ker thinking I'm stupid		He's probably somewhere with a dancer	
He must have bumped his head		Sipping champagne while I'm in his bed	
I only know (4) 4 AM		It's 4 AM and I think I might lose it	
Standing here and I'm getting heated		This mot*erfu*ker thinking I'm stupid	
Pull me up a drink I swear I need it		He must have bumped his head	
I think I'ma about		I only know it's 4 AM	
About to hurt somebody		Sitting here feeling kind of crazy	
Swear this man is begging me to leave him		But not (10) any crazy	
Getting sick of being so mistreated		It's the kind you feel	
Another night without		When you love somebody	
Without his arms around me			
Who knew that my heart could ever bruise			
You see this scar here on my chest
