Gangsta's Paradise by Mentes peligrosas BSO (Coolio)

You want to tell me what (1) is all	about?	I'm living life, do or die, (9) o	can I say?
As I walk through the valley of the shadow of death		I'm 23 now, but will I live to see 24	
I take a look at my life		The way things are going I don't know	
And realize there's not much left		Tell me why are we, so blind to see	
(2) I've been blasting and I	aughing so long	That the ones we hurt, are you and me	
That even my mama thinks that my mind is (3)		Been spending most their lives	
But I ain't never crossed a man that didn't deserve it		Living in the gangsta's paradise	
May be treated like a punk		Been spending most their lives	
You know that's unheard of		Living in the gangsta's paradise	
You better watch how you're talking		Keep spending most our lives	
And where you're walking		Living in the gangsta's paradise	
Or you and your homies might be lined in chalk		Keep spending most our lives	
I really (4) to trip		Living in the gangsta's paradise	
But I got to, loc		Power and the money, money and the power	
As I grow I see myself		Minute after minute, hour after hour	
In the pistol smoke, fool		Everybody's running, but half of them ain't looking	
I'm the kinda G the (5) homie	s wanna be like	What's going on in the kitchen	
On my knees in the night		But I don't know what's cooking	
Saying prayers in the streetlight		They say I gotta learn,	
Been spending most their lives		But nobody's here to teach me	
Living in the gangsta's (6)		If they can't understand it, how can they reach me	
Been spending most their lives		I guess they can't, I guess they won't	
Living in the gangsta's paradise		I guess they front	
Keep spending most our lives		That's why I know my life is out of luck, fool	
Living in the gangsta's paradise		Been spending (10) their lives	
Keep spending most our lives		Living in the gangsta's paradise	
Living in the gangsta's paradise		Been spending most their lives	
They got the situation		Living in the gangsta's paradise	
They got me facing		Keep spending most our lives	
I can't live a normal life		Living in the gangsta's paradise	
I was raised by the (7)		Keep spending most our lives	
So I gotta be down with the hood team		Living in the gangsta's paradise	
Too much television watching got me chasing dreams		Tell me why are we, so blind to see	
I'm an educated fool with money on my mind		That the ones we hurt, are you and me	
Got my 10 in my hand and a (8)	in my eye	Tell me why are we, so blind to see	
I'm a loc'd out gangsta		That the one's we hurt, are you and me)
Set tripping banger			
And my homies is down so don't arouse my anger, fool
