## Who owns my heart? by Miley Cyrus

## Fill in the gaps

| - <em>R, O, C, K, Matia</em> -               | And, I can't tell                           |
|--|---|
| (1) shows me what to do                      | If it's the beat or sparks                  |
| I'm dancing on the floor with you            | Who owns my heart?                          |
| And when you (2) my hand, I go crazy yes     | Is it love,                                 |
| The music tells me what to feel              | Or is it art?                               |
| Like you now but, is it real                 | You know I (11) believe,                    |
| By the (3) we say goodnight                  | That we're a masterpiece.                   |
| I'll know if this is right                   | But sometimes it's hard                     |
| And I feel you coming through my veins       | to tell in the dark                         |
| Am I into you or is the music to blame       | Who (12) my heart?                          |
| Who owns my heart?                           | So come on baby                             |
| Is it love,                                  | (13) provoking me                           |
| Or is it art?                                | Keep on (14) me                             |
| Cause' the way you got (4) body moving's,    | (15) a rodeo                                |
| got me confused                              | Baby pull me close                          |
| And, I can't tell                            | (16) on, (17) we go, (18) we                |
| If it's the beat or sparks                   | go, (19) we go                              |
| Who (5) my heart?                            | And it hits me like a (20) wave             |
| Is it love,                                  | Are you feelin' me or is the music to blame |
| Or is it art?                                | Who owns my heart?                          |
| You know I wanna believe,                    | Is it love,                                 |
| (6) we're a masterpiece                      | Or is it art?                               |
| But sometimes it's hard                      | Cause the way you got your body moving's    |
| to tell in the dark                          | got me confused                             |
| Who owns my heart                            | And,I can't tell                            |
| The room is full but all I see is            | If it's the beat or sparks                  |
| The way your eyes just blaze (7) me          | Who owns my heart?                          |
| Like fire in the dark, we're like living art | Is it love,                                 |
| And it hits me like a (8) wave               | Or is it art?                               |
| Are you feelin' me or is the (9) to blame    | You (21) I wanna believe,                   |
| Who owns my heart?                           | That we're a masterpiece.                   |
| Is it love,                                  | But (22) it's hard                          |
| Or is it art?                                | To tell in the dark                         |
| Cause' the way you got (10) body movin's     | Who owns my heart?                          |
| got me confused                              |   |
