

Fill in the gaps

Little in the middle by Milow

You always wanted to be
Part of a circus company
For the fun and death defying
But in time you forgot
life is small in the big top
And your dreams were slowly dying
What you (1)_____ was not a crime
You could've done it
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
Jugglers walk on the wire
Lions leap through (2)_____ of fire
As the acrobats go flying
But what's the show all about
When did your north get (3)_____ to south
And the (4)_____ turn to lying
What you wanted
was not a crime
You could've done it
but you (5)_____ time
Now you're always just a little

A little in the middle
A (6)_____ in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning...
But it's a hole you're digging
A hole you're digging
you're doing it despite
the so much more you're missing
More you're missing
to your left and to your right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your (7)_____ from spinning round
And round, and round
It keeps your head (8)_____ spinning round...
