Little in the middle by Milow

You always wanted to be
Part of a (1)_____ company
For the fun and death defying
But in time you forgot
life is small in the big top
And your (2)_____ were slowly dying
What you wanted was not a crime
You could've done it
Now you're always just a little
A little in the middle
A little in the middle
of (3)_____ you're bound
Always just a (4)_____ in the middle
It keeps your head from spinning round
Jugglers walk on the wire
(5)_____ leap through hoops of fire
As the acrobats go flying
But what's the show all about
When did your north get turned to south
And the (6)_____ turn to lying
What you wanted
was not a crime
You could've done it
but you needed time
Now you're always just a little

A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning...
But it's a hole you're digging
A hole you're digging
you're doing it despite
the so much more you're missing
More you're missing
to your (7)_____ and to your right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps (8)_____ head from spinning round
It keeps your head from (9)_____ round
And round, and round
It keeps your (10)_____ from spinning round...
