## Fill in the gaps

I'm gonna move to Canada	I'll (7) a plane, fly away from this rain
Yeah I've made up my mind leave everything behind	After Canada the USA is a piece of cake
I'll catch a plane, fly away from this rain	All the sales records I'll break
I'm gonna move to Canada	"The best thing since the Beatles"
I'm gonna meet Neil Young	Is what Rolling Stone will write
I just know we'll get along	With my guitar and band
(1) up at his house	I will conquer every town
Convince him and his spouse	I'll conquer every town
I'll pick up my (2) and play	I'll conquer every town
A couple of my songs	Me, the singing rock and roll, rock and roll clown
A couple of my songs	I still wanna move to Canada
A couple of my songs	But for now I'll just stay here
That I'll sing at the top of my lungs	I think it's (8) for my career
I'm gonna move to Canada	When I get (9) from the office
Yeah I've made up my mind leave everything behind	Where I've (10) all my life
I'll catch a plane, fly away from this rain	I pick up my guitar and play
Mister Young will be impressed	A couple of my old songs
And (3) me a (4) deal	A couple of my old songs
And tell me to call him Neil	A couple of my old songs
We'll have a ball	And I think: "Damn"
Until Canada's too small	"Neil Young would have loved these songs"
Then I'll pack up my guitar and I	And he might have loved these songs
Will move to the US	Maybe next year
I'll move to the US	Maybe next year
I'll move to the US	Maybe next year
To be a sensational succes	
I'm (5) move to Canada	
Yeah I've made up my mind (6) everything
