

Fill in the gaps

Don't (1) what you think you saw	(17) of the future, too (18) for
You didn't know at all	today
Lost sight of who you are	How (19) hours will I let slip away
Came to make a connection	Before I realize (20) and living
(2) myself in a dimension	Are not the same?
Lost (3) of myself	Are not the same
If I could force my heart, my ears, my mind	How (21) you be what I want to see?
And eyes to get in line	How could you be (22) I want to see?
(4) I'd find something real	How could you be what I (23) to see
Not a (5) so divine	When my reality
Let myself down each time	(24) never live up, could never (25)
Let (6) (7) (8) time	up
How could you be what I want to see?	To the fantasy?
How could you be (9) I want to see?	How, how, how?
How (10) you be what I (11) to see	How could you be what I want to see?
(12) my reality	How could you be (26) I (27) to see?
(13) never live up, (14)	How could you be what I want to see
(15) live up	When my reality
To the fantasy?	Could never live up, could (28) (29)
Revolution from dissolution	up
(16) and demoralizing	To the fantasy?
