

Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, some (1)_____ of potion
I was (2)_____ to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made pain your lover
(3)_____ not discrete
I knew you found another
How could I compete?
Abusive words cover me like dust
I waited to know for sure
You only give up as last
I (4)_____ think of you
And all the sh*t you put me through

And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
Dark clouds follow you around
Your own worst enemy
You only picked me up to bring me down, down, down...
I (5)_____ think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the (6)_____ you put me through
And I (7)_____ now, I know you were wrong
I (8)_____ think of you
And all the (9)_____ you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
