

Think of you by MS MR

You got high off my devotion
We (1)_____ as you crutch
Black, some sick of potion
I was (2)_____ to (3)_____ touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made pain your lover
Infidelity not discrete
I knew you found another
How (4)_____ I compete?
(5)_____ words cover me like dust
I waited to (6)_____ for sure
You only (7)_____ up as last
I (8)_____ think of you
And all the sh*t you put me through

And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
Dark clouds follow you around
Your own worst enemy
You only picked me up to bring me down, down, down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
I still think of you
And all the sh*t you put me through
And I know you were wrong
I (9)_____ think of you
And all the sh*t you put me through
And I know now, I know you were wrong
