

Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
You (1)_____ (2)_____ your lover
Infidelity not discrete
I knew you (3)_____ another
How could I compete?
(4)_____ words cover me (5)_____ dust
I waited to know for sure
You only give up as last
I (6)_____ (7)_____ of you
And all the sh*t you put me through

And I know you were wrong
I still think of you
And all the sh*t you put me through
And I (8)_____ now, I know you were wrong
Dark clouds follow you around
Your own worst enemy
You only picked me up to (9)_____ me down, down,
down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I (10)_____ now, I know you were wrong
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
