

Fill in the gaps

Didn't (1) what this would be	My lips sealed
But I knew I didn't see	My heart closed
(2) you (3) you saw in me	And my eyes peeled
jumped the gun	(16) to the inner workings of my mind
So sure you'd (4) and run	So (17) and (18) I can't disguise, can't
Ready for the worst before the damage was done	disguise
The storm (5) came	Nights (19) this I become afraid
Oh, it never was	Of the (20) in my heart
Didn't know (6) (7) in the blue	Hurricane
He damned how I ran after (8) you	Make ash and leave the dust behind
Nelcome to the (9) workings of my mind	Lady "diamond in the sky"
So dark and (10) I can't disguise, can't disguise	(21) light, glowing bright
(11) like (12) I become afraid	To (22) me (23) I fall
Of the (13) in my heart	I fall on tragedy
Hurricane	Welcome to the inner (24) of my mind
What's (14) with me	So dark and (25) I can't disguise, can't disguise
Why not (15) and see	Nights (26) this I (27) afraid
never saw	Of the darkness in my heart
What you saw in me	Hurricane
Keep my eyes open
