

Fill in the gaps

Whispers in the dark by Mumford & Sons

You hold (1) truth so purely	I'd set out to serve the Lord
Swerve not through the minds of men	My heart was colder (7) you'd gone
This lie is dead	And I lost my head but found the one (8) I love
This cup of yours tastes holy	(9) the sun, under the sun
But a brush with the Devil can clear (2) mind	But fingers tap into what you were once
And (3) your spine	And I'm worried that I blew my only chance
But fingers tap into what you (4) once	Fingers tap into what you were once
And I'm worried that I blew my only chance	And I'm worried that I blew my only chance
Whispers in the dark, steal a kiss	My heart was colder when you'd gone
And you'll break (5) heart	And I lost my head
Pick up your (6) and curl your toes	Let's live while we are young
Learn your lesson	(10) we are young
Lead me home	While we are young
Spare my sins for the ark	While we are young
I was too slow to depart	
I'm a cad but I'm not a fraud
