## Whispers in the dark by Mumford & Sons

You hold your truth so purely	I'd set out to serve the Lord
Swerve not through the minds of men	My heart was colder when you'd gone
This lie is dead	And I lost my head but found the one that I love
(1) cup of (2) (3)	Under the sun, under the sun
noly	But fingers tap into what you were once
But a (4) with the Devil can clear your mind	And I'm worried that I blew my only chance
And (5) your spine	Fingers tap into what you were once
But fingers tap into what you were once	And I'm worried (10) I blew my only chance
And I'm worried that I (6) my only chance	My heart was colder when you'd gone
(7) in the dark, steal a kiss	And I lost my head
And you'll break your heart	Let's live while we are young
Pick up your clothes and curl your toes	While we are young
Learn your lesson	While we are young
Lead me home	While we are young
Spare my (8) for the ark	
I was too (9) to depart
