

Fill in the gaps

It's empty in the valley of your heart	And I won't let you choke
The sun, it rises slowly as you walk	On the noose (4) (5) neck
Away from all the fears and all the faults	And I'll find strength in pain
You've left behind	And I will change my ways
The harvest left no food for you to eat	I'll know my (6) as it's called again
You cannibal, you meat-eater, you see	So come out of your cave walking on your hands
But I have seen the (1)	And see the world hanging upside down
I know the shame in your defeat	You can understand dependence
But I'll hold on hope	When you know the maker's land
And I won't let you choke	So make (7) siren's call
On the noose around your neck	And sing all you want
And I'll find strength in pain	I will not hear what you have to say
And I will change my ways	Because I need freedom now
I'll know my name as it's called again	And I need to know how
Because I have other things to (2) my time	To live my (8) as it's (9) to be
You take what is yours and I'll take mine	And I will hold on hope
Now let me at the truth	And I won't let you choke
Which will refresh my broken mind	On the noose around your neck
So tie me to a post and block my ears	And I'll find strength in pain
I can see (3) and orphans through my tears	And I will change my (10)
I know my call despite my faults	I'll know my name as it's called again
And despite my growing fears	
But I will hold on hope
