

But I will hold on hope

Fill in the gaps

It's empty in the valley of your heart	And I won't let you choke
The sun, it rises slowly as you walk	On the noose around your neck
Away (1) all the (2) and all the faults	And I'll find strength in pain
You've left behind	And I will change my ways
The harvest left no food for you to eat	I'll know my name as it's called again
You cannibal, you meat-eater, you see	So come out of your cave walking on your hands
But I have seen the same	And see the world hanging upside down
I know the (3) in your defeat	You can (7) dependence
But I'll hold on (4)	When you know the maker's land
And I won't let you choke	So make your siren's call
On the noose around your neck	And sing all you want
And I'll find strength in (5)	I will not hear what you have to say
And I will change my ways	(8) I need freedom now
I'll know my name as it's called again	And I need to know how
Because I have other things to fill my time	To live my (9) as it's meant to be
You take what is yours and I'll take (6)	And I will hold on hope
Now let me at the truth	And I won't let you choke
Which will refresh my broken mind	On the noose around your neck
So tie me to a post and block my ears	And I'll find strength in pain
I can see widows and orphans through my tears	And I will change my ways
I know my call despite my faults	I'll know my name as it's called again
And despite my growing fears
