I was fine right before I met her	Who gives her the right to tear up my life?
Never hurt and nothing could control me	How dare she be so perfect
You know I tried	(8) did I do to deserve this?
But I can't regret her	-Never let her go-
(1) the first, ask anyone who knows me	How dare she be so perfect
Terrified that she'd find my heart and break it	Tell me why, tell me why
(2) by the thought of her with	You started the fire
someone else	And played me (9) that
I wish I would've known	Tell me why, tell me why
I shouldn't have fallen in love with her	You started the fire
(3) been nothing but trouble till now	And played me like that
I shouldn't have fallen in (4) at all	I shouldn't have fallen in love with her
But I couldn't (5) myself	It's been (10) but trouble till now
What gives her the right to tear up my life?	I shouldn't have fallen in love at all
How (6) she be so perfect?	But I couldn't stop myself
What did I do to deserve this?	-I've got to let her go-
-Never let her go-	Who gives her the right to tear up my life?
How dare she be so perfect	How dare she be so perfect
-You started the fire-	What did I do to deserve this?
I haven't cried since the day she left me	-I've got to let her go-
Because that would mean that I admit it's over	How dare she be so perfect
I tell myself that she's trying to test me	Tell me why, tell me why
She'd (7) leave, she still needs me to hold her	You started the fire
Horrified cause she found my heart and broke it	And played me like that
Mortified when I picture her with someone else	Tell me why, tell me why
I wish I would've known	You started the fire
I shouldn't have fallen in love with her	And played me like that
It's been nothing but trouble till now	
I shouldn't have fallen in love at all	
But I couldn't stop myself
